Sketch Your Idea! And start shaping the future!

What do you **imagine** when thinking about the **future we need**? Share your **ideas** and **hopes** about how you would like your future to look! Do you think there are things that need to **change**? If so, what are your ideas for a **solution that** could improve things now and lead to a **better tomorrow**? Pick up your pencil and **sketch it**!

Give your idea a name!
Describe it! What does your idea show? What are your thoughts behind this idea?

NOW, Sketch it! Take a picture of your sketch and upload it to www.thenextmovement.global/projects/SA
